Update

As we head to the half way point of the season, and Christmas is just round the corner, it seems a good time to see how the teams are faring.

After a belated start, the A team are making up for lost time and have won their first four games.

The B and C teams are (at the time of writing) both in 3rd position in the 2nd division. 3rd from top and 3rd from bottom! This could well change after this evening as the local derby takes place. Good luck to both teams.

The D team are in 3rd place in the 3rd division and, surprise, surprise, so are the E team in the 4th division.

So, well done everybody, and, don't forget, the tables are up on the **Chester and District League** website if you would like to see how all the other teams are doing.

And at this festive time of year, please spare a thought for our team captains who have the task of getting a full team out for each match. Please give them advance warning if you are not available for any matches and bring them a little cheer this Christmas!

Parker/Capper Trophy

Both teams have played their first round matches. The Parker team had a close fought match which they managed to win. The Capper team obviously have their eye on the Plate Round trophy again but had a good match, I gather. Well done to both teams and Ben P and Roger, the captains - even if unable to be there on the night!

Website

The website continues apace. Dates of matches and other information are to be found there. Try out Facebook and Twitter and get yourselves involved. The comments on Facebook can be quite entertaining. You do not have to sign up to read it, just click on the Facebook logo on our website and see what you are missing.

The A team have matches on the 5th and 12th March so will need 3 courts and a prompt start.

And finally . . .

Congratulations to John and Paula on their marriage, and to Rich M and Danielle on their engagement.

This is becoming more like the Times announcements each issue!

And just in case anybody (surely not) has forgotten to pay their dues, it is now 3 months late!! We are not amused.
